How to use your course planner

The units in your planner are colour coded to assist you with mapping out your studies. Refer to the boxes below for an overview of your course requirements.

Course Information

This course is made up of 8 units.

Core units

6 units

A set of compulsory units you **MUST** complete as part of your course.

Elective units

2 units

If you intend to progress to an **Engineering** undergraduate course, you must complete MTH00012 Foundation Mathematics

If you plan to further your studies in a **Business** course in the future, you are highly recommended to enrol in the suggested electives below. Some of them might serve as pre-requisites for your Diploma/Bachelor course.

MGT00002 Introduction to Management
MKT00003 Marketing

FAQs

How can I find more information about my course

Visit [Swinburne Foundation Program](#) for further details about your course.

How do I enrol into units online?

For help on how to enrol in units on your Study Plan, please refer to our [online help guide](#).

Pathways to future study

Pathways allow you to progress from one qualification to another where the first course is recognised as an entry requirement and/or provides advanced standing. You can take advantage of pathway arrangements from one Swinburne course to another or benefit from study completed at another institution. Pathway options may be subject to academic performance. Learn more about [pathways](#).

What if I have any other questions?
